VISIT Malaysia

Malaysia is a vibrant and diverse Southeast Asian nation known for its rich cultural heritage, stunning landscapes, and bustling cities. Sharing borders with Indonesia and Brunei, Malaysia is popular for medical tourism due to the affordability of its medical services.

Malaysia's cultural diversity ensures that your needs are met with sensitivity and respect. Enjoy halal food options and prayer facilities, making your stay comfortable and convenient.

With our strategic location and easy flight connections, accessing high-quality healthcare has never been easier. Combine a memorable holiday with world-class dialysis care, exploring Malaysia's stunning landscapes, rich culture, and vibrant cities.

Diaverum's state-of-the-art facilities, advanced medical technology, and highly qualified professionals ensure you receive the highest quality of care. Our dedicated staff will handle your booking, ensuring a seamless transfer of your medical data and provide support with any other necessary documentation. Meanwhile, our local **d.HOLIDAY coordinator** is available to assist with any questions you may have about your trip and recommend suitable activities to do in **Malaysia** based on your health condition.

Don't miss:

Sunway Lagoon: one of Malaysia's premier amusement and water parks, offering a wide array of attractions and entertainment options for visitors of all ages. Located in the heart of Bandar Sunway, Selangor, just a short drive from Kuala Lumpur, it is a must-visit destination for anyone seeking a fun-filled day out.

Sunway Pyramid: adjacent to Sunway Lagoon, Sunway Pyramid is a massive shopping mall with a unique Egyptian-themed architecture. The mall features a wide range of retail outlets, dining options, an ice-skating rink, and a cinema, making it a great place for shopping & entertainment.

Petronas Twin Towers: the iconic landmark is the crown jewel of Kuala Lumpur City Centre. Standing at 452 metres tall, these twin skyscrapers were the tallest buildings in the world from 1998 to 2004, and remain the tallest twin towers today. Visitors can enjoy panoramic views of the city from the Skybridge (located on the 41st and 42nd floors) and the observation deck on the 86th floor.

Batu Caves: one of Malaysia's most iconic and frequently visited tourist attractions. Located approximately 13 kilometers north of Kuala Lumpur, this limestone hill features a series of caves and cave temples that hold significant cultural & religious importance for Hindus in Malaysia and around the world.
